

GiftedReflection8™

AI-Powered Medical School of the Century

This is the public time-stamped declaration of authorship, creative control, and copyright ownership for the work known as GiftedReflection8™.

The project includes:

- AI Mentor JSON architecture (designed from scratch)
- Live React-based student-mentor chat module
- Curriculum maps aligned with First Aid 2025
- Anki tag logic for spaced repetition
- Real-time adaptive teaching design for neurodivergent students

Ownership & IP Claim:

All intellectual property, educational flow, interface design, and AI integration strategies described herein are the original creation of Kung (GiftedReflection8™).

Do not replicate, redistribute, or commercialize this work without explicit written permission.

Time-Stamp of Original Publication:

Published: June 2025

Author: Kung (GiftedReflection8™)
